The screenshot shows the 'Manage tags' interface. On the left, there is a sidebar with three items: '# Manage tags', 'Advanced', and 'Blocked items'. The main area is titled 'Manage tags' and contains a search bar with the placeholder text 'Search'. Below the search bar, there is a section titled 'Choose tags to follow' with the text 'Let's super-charge your feed with relevant content! Start by choosing tags you want to follow, and we will curate your feed accordingly.' Below this text, there is a list of tags to follow, each with a 'Follow all' button and a 'Clear' button. The tags are: Blockchain, Career, Cloud, Databases, Data Science, and Developer Tools.
